Dear Families,

Summer is coming...Can you believe it? We are looking forward to all of the great field trips that we will be having, along with some super fun on-campus activities! We have several exciting and unique trips planned this year in an effort to make this a very memorable summer for your child.

We want parents to be aware that for a limited time, existing students have a priority to reserve Summer Camp before we open up to everyone else. To reserve a spot for your child please complete and turn in the Summer Camp 2023 rules, guidelines and attendance confirmation forms, along with, the \$75 registration fee. Summer Camp tuition is \$235 per week, including field trips.

If you have any questions, please do not hesitate to contact the front. We are looking forward to having tons of fun, and hope your children come with fun stories to tell you each day about the places they went and the fun activities they participated in during their Summer 2023 experience at StarChild Academy!

**** Please be sure to check for an updated copy of the camp schedule on May 26th, in case there are changes.**

Summer Camp Rules & Guidelines

- Please check your child IN and OUT with the teacher in the room when dropping off and picking up. This is for the safety of the children as well as it will help keep our attendance sheets accurate.
- Please dress children in yellow StarChild Academy T-Shirts on days marked "Yellow StarChild Academy T-Shirt". This will help our teachers identify our children at field trip locations where other children are present. If your child arrives at StarChild Academy without a T-Shirt, we will provide one to your child and charge your account \$10.
- Please arrive 30 minutes prior to field trip departure time. Arrival time is extremely important in order to run the safest camp possible. Preparation for each field trip involves: taking attendance, preparing field trip payment, roll call, lining up and loading the bus, and seat belt checks. Because this is a lengthy process we cannot make exceptions to this arrival time. We must be punctual to each field trip destination or our venues may not allow us to re-book our trips with them.
- NO flip flops at any time are permitted. Please send your child with closed toed shoes and socks. For splash pad days send your child dressed in swim clothes with a complete change of clothing including shoes, towels, etc. Be sure all items are labeled with your child's name. Students MUST wear water shoes, NO EXCEPTIONS
- NO child may be dropped off or picked up at a field trip location.
